This Chapel has been spoken of, and justly so, as the most beautiful and complete in America.

This is merely an example of the many thoughtful ideas originated for your convenience in your hour of sorrow.

At that time, when the mind is in a chaos, so to speak, it is comforting to know that the many details in connection with a funeral are being looked after just as you would have them attended to.

This Chapel is free, as are the services of an organist, and the charges made for my services are quite nominal; as a matter of fact, your desire governs the price—to a very great degree.

The FLAG SPEAKS
by Ralph H. Thomson

Oh, you who seem too deaf to hear
The mutterings around;
And you who lend a listless ear
To Wisdom's warning sound;
Give heed, before it is too late,
To every patriot's call,
And keep the glory of your state,
Triumphant over all!

Oh, you who seem too dumb to speak,
Lest you should give offense;
And you who shrink from those who shriek
Of dangers past pretense;
Shout back defiance, while you can,
What if your throats rasp!—
And for Tradition's yesterday,
Preserve your heritage!

Oh, you who seem too blind to see
Your country's perilous plight;
And you who prate of liberty,
When unprepared to fight;
Lift up your eyes—for Heaven stands—
Your hope to Freedom's end—
Nor strike the flag above your land
To any prince but—GOD!

Let Us Have Peace

The people not only of Englewood who are most directly interested, but of the entire city, who contributed to the upbuilding and establishment of the two worthy institutions, the Protestant Orphan's Home at 6323 Yale ave. and the Oak Haven Home for Old People, the site for which is secured on Western ave. near the south city limits, are tired of the faction fighting between the different officials and non-officials seeking control of these splendid and worthy institutions. The money and efforts contributed to them was not for any one division or set of officials, it was for the orphan children and the needy old people, and the contributors want to see it thus applied without being wasted in senseless litigation and controversies. Six different persons have written us concerning these matters, virtually voicing these sentiments, and we take the liberty of boiling them down and expressing them in our own way. If the contending factions cannot get together and agree, let both step aside, and an impartial and independent board take hold, and do justice to the unfortunate classes the institutions are supposed to care for.

Salute to the Flag

"I pledge allegiance to the American flag, and to the republic for which it stands. One nation, indivisible, with liberty and justice for all."

No Great Profit in Increase of Wage

The American workmen and people generally are beginning to understand that while their wages have increased they are able to save little more than at the old wage, as everything they must buy has gone up in proportion and the increase is of little or no benefit. Future increases will be the same, if labor insists for higher wages, everything that labor produces will necessarily be raised, and the net benefit will not increase. Some trades deplore the increase in other trades, the raising of rents and prices generally, but are steadily boosting their own. This is fictitious prosperity and cannot and will not last. All matters must be equalized and the standard is a matter of but trifling consequences. The man who was getting $5 a day and paying it for a pair of shoes, may now be getting $10 a day, but it costs him $10 for the same pair of shoes. There must be an end to the raising somewhere, a true value established, or we will bump into trouble. No political party can settle this, it must be the people themselves, and it looks as if it would be some time before they realized the facts and got down to a practical commonsense working basis.

The city council at a meeting Wednesday night passed increased pay roll bills that will cause a ten million dollar deficit in the city budget, but then the small tax payer will be the fellow to pay it as the landlords will simply add the increase to their rents.

It's great to be able to read everything quickly and easily. It's great to have acuteness of vision. Eye comfort is principally a matter of correct glasses. Your eyes will be made happy if we provide the glasses. Dr. J. B. Pattillo, eyesight specialist, 456 W. 63rd st. Tel. Englewood 8300.—adv.

The surface street car fare is now eight cents, and it costs six and a half cents to telephone, and for the benefit of the babies we announce that milk has been raised a cent a quart to fifteen cents, although this is the season of the year it is most plentiful and cheapest to produce.

No sense going to the loop for a trunk, bag or suitcase. Our selection very complete and our prices lower than loop prices. Saly's, 6431 So. Halsted st.—adv. tf.

Mr. and Mrs. Clark T. Northrop of Winnetka celebrated their fiftieth wedding anniversary at their home, 1144 North ave., yesterday. They were among the old settlers in Englewood, coming here in 1873 and remained here until 1911. Mr. Northrop was a one term alderman in 1896 from the Thirty-second ward.

Mrs. Alice F. Sheridan, wife of William F., died at their home, 308 65th st., Monday and her funeral occurred Wednesday from St. Bernard's church, burial at Mt. Olivet. Mrs. Sheridan was long a resident of Englewood and dearly beloved by a large circle of friends. She was a most estimable Christian lady, a devoted wife and mother, and leaves a family of grown children who are a credit to her teachings.

Take your kodak finishing to DuVal Studio, 352 W. 63rd st.—adv.

INVEST YOUR MONEY WISELY

6% The safest forms of investments have always been real estate mortgages secured by farm land. This is proved by the fact that the life insurance companies—the largest investors in the world—prefer farm loans over any other form of security. Producing farm land is better security than city realty. The principal value of city property rests in improvements which sooner or later become antiquated or unsuited to the needs of a changing neighborhood The unforseen influx of undesirable neighbors adversely affects the value of city real estate. Farm land is free from both of these menaces, for every year shows a steady advance in the average value of farm property. It is this constantly increasing security which makes farm mortgages so desirable. For years we have been making farm mortgages and selling them to conservative investors in Chicago. We collect interest and principal without charge. That we have succeeded in building up a reputation for care and conservatism is apparent from the fact that we now have several hundred customers in Chicago and others in over 30 states.

Send for our Illustrated Booklet describing these safe investments.

LINDEN THEATRE
63rd street at Iaw

The rapidly increasing patronage of the popular Linden Theatre is no doubt due to the fact that Manager Thomas Johnson is ever alive to the requirements of his patrons and is clever enough to put over such productions as appeals to them. This is an art in the film game and "Tom" knows the ins and outs, which linked with service, courtesy and close attention to details, and last, but not least, an exceptionally good orchestra and pipe organ, makes the Linden a very popular photo playhouse.

Today—One day only—Friday, July 2nd. Robert Warwick in "The City of Masks." This is the very latest release of this famous star and is undoubtedly the best work of his successful career. You don't need to know the theme of the play—the star's name is guarantee that it will be interesting and absolutely a first class picture. Also usual added reels.

Two days only—special—Tuesday and Wednesday, July 6th and 7th. Wm. S. Hart in "Sand." It may be said of Mr. Hart that as a station agent he is a fine movie actor. One shudders to think of the collisions that would undoubtedly send their hordes into eternity were Big Bill really at the key with a dark eyed maid in the offing. He uncovers the real bandits; he foils the robbery of the station safe; he certainly neglects his post something scandulous in the cause of chivalry. But, bless him, he's good to his horse; he hasn't forgotten how to ride, and in real crises he displays plenty of sand. (Which is what the picture's about, you know.)

EMPRESS THEATRE

Never before in the successful history of the Empress theatre has there been a time in which so many big attractions have been booked and given the public. The amount of talent Manager Mitchell has secured for the summer season is a subject of remark in the amusement world, and he goes along in his same old way, seeking even better each week. One feature of the Empress is the excellence of its music and it is the subject of many compliments. Not only does this excellent body of musicians give us the topical music of the day from the latest composers, but back into the classics and among the very best they go until their repertoire makes one happy to hear from the dizziest shimmy jazz to the heavenly strains of the old composers, who knew nothing but real music. The variety of the Empress entertainments is a feature and commends itself to the worn-out business man or woman or even the leisure class. They have the best of pictures, subjects of travels, as well as the latest released features and in addition have a string of star vaudeville acts that none of the city houses may equal. All that is latest and best, all that is good and beyond the ordinary is found at the Empress and you will see and hear it if you get the habit and follow the crowd.

Harvard
PLAY HOUSE

The pleasant, cool and comfortable Harvard, noted as one of the coolest and best ventilated houses in the city, continues to play to filled houses in the warm season and in fact the coolness and splendid ventilation actually draws people who want to spend a comfortable afternoon and evening and at the same time be amused.

Their bill for over the holiday week of the 4th of July is especially attractive. In brief it is for today and tomorrow, Friday and Saturday, July 2nd and 3rd, that latest and best of Marshall Neilan's marvelous photoplays, the finest and most thrilling picture of the season, "The River's End." A synopsis of the picture is: John Keith, wanted for murder, is captured after a two year chase by Conniston of the Royal Mounted Police. While bringing his prisoner back Conniston dies. Conniston and Keith bear a striking resemblance so Keith impersonates Conniston and returns to the post and reports the death of the outlaw. Shan Tung, a Chinaman, recognizes Keith, but keeps his identity secret. Shan Tung is in love with a white girl and holds a strange influence over her. Conniston's sister arrives on the scene after a seven year's search for her brother. She believes Keith to be the object of her search. He falls in love with her. After a battle in the opium den in which Keith kills the Chinaman and frees the white girl from his spell he tells Conniston's sister all. Then he flees back to the snow wastes. But she learns of the whole past mystery and what she does is something you will wish to see.

As an attraction for Sunday, July 4th, they offer "The House of Toys," the story of a gamble in matrimony. "Husbands and wives would be more tolerant if they could see 'The House of Toys' before seeking a separation," says a prominent Chicago Club woman. "They would learn from it that money isn't everything—that a husband is not a meal-ticket, nor a wife a toy. I urge every woman—every wife, every mother, every engaged girl—to see this wonderful picture. It is better than a sermon. It will prevent many a divorce."

On Monday and Tuesday, July 5th and 6th, Mary Miles Minter in the superlatively beautiful picture of "Jenny Be Good." It is the story of romance and youth which has its beginning in a tree-house. Jenny (Mary Miles Minter) and the hero, Royal Renshaw, are secretly married. When Royal's parents learn of this they send him off on a cruise and induce Jenny to have the marriage annulled. The heartsick girl goes to New York to forget Royal and diligently applies herself to the art of playing the violin. At the home of Mrs. Rossiter-Jones, her patroness, where she is to give a private concert, she meets Royal and his wife, chosen for him by his parents. The story is full of pathos and intense situations, relieved by a vein of humor, which is very entertaining. It all ends very happily, but Jenny at the apex of her musical career gives it up at the command of love.

On Wednesday and Thursday comes William S. Hart in "Sand," his latest and best play, taken from "Dan Kurrie's Inning." "Sand" contains all the elements of a stirring western drama of the desert country. But the title also implies the quality in a man's makeup which is variously termed "sand" or "grit." Mr. Hart has, it is declared, one of his best roles as Dan Kurrie, ex-cow-hand and now station agent, who returns to the saddle and not only redeems himself but wins his sweetheart and outwits the villain.

Woodlawn Theatre

As usual the palatial and beautiful Woodlawn offers specially fine attractions for the double 4th of July holiday week. The coolness and comfortable atmosphere of the Woodlawn is a matter of comment from all the vast audiences, and persons coming in off the street feel the relief from the stifling heat and feel like a visit to the seashore. The music of the Woodlawn comes in for special mention this week: the superb symphony orchestra with its wonderful programs of classic as well as the modern music draws music lovers from all parts of the city, who enjoy their delightful concerts as well as the great pictures they always produce.

For Friday and Saturday (today and tomorrow) they show the final two days of the engagement extraordinary of Mary Miles Minter, the successful successor of Mary Pickford, in her latest and best play, "Jenny Be Good." The story deals with a little girl, Jenny Riano, who is cared for by her old grandmother. She meets and secretly marries Royal Renshaw, the son of parents who have social aspirations. They learn of his secret marriage and at once set about to part the young couple. Jenny, through their influence, has the marriage annulled, and Royal, due to the deception of his family, marries Jolanda, a debutante of the smart set. There are many contrasts of the vices and virtues of the common people with that of the so-called American aristocracy, and the gripping story is relieved by a vein of fine humor. Mary Miles Minter as the heroine is supported by a cast which includes Margaret Shelby, Catherine Wallace, Fanny Coslar, Maggie Halloway Fisher, Grace Pike, Jay Belasco and other prominent artists of the screen. Julia Crawford Ivers wrote the scenario and William Desmond Taylor directed it.

On Sunday, Monday and Tuesday, July 4th, 5th and 6th, they offer the great feature of the season in Constance Talmadge's newest and most popular play, "The Love Expert." Helpful hints to girls or boys anxious to ascertain whether one certain member of the opposite sex is responsive to their respective emotions are given in "The Love Expert," starring Constance Talmadge. This production is the workmanship of John Emerson and Anita Loos, whose former stories and adaptations for Constance Talmadge since her affiliation with First National Exhibitors' Circuit have been greeted by theatregoing public at large as classic gems of comedy production. As Babs, a romantic boarding school girl, Connie is probably in her most delightful characterization. Eschewing the cut-and-dried educational subjects she devotes herself to self-instruction in the science of Practical Love-Making, with the result that the Board of Regents stimulates another sale for the railroad companies—thus giving Babs a chance to try out her many formulas.

MARLOWE HIPPODROME

Marlowe Closes for the Season

On Sunday night the Marlowe Hippodrome will close their season that the workmen may get at their work of remodeling and decorating and generally refitting the house throughout. Manager Hughes leaves for New York to do his booking for next season's attractions to get the best of the good ones for the vaudeville programs and the latest serial and feature film pictures. The Marlowe expects to reopen in August with an especially fine line of attractions, due notice of which will be given in the Times.

TIMES WANT ADS

Vernon Theatre

An especially fine week's program has been arranged for the Vernon theatre for the 4th of July holiday week, and the pretty little house by Washington Park with its cool, pleasant ventilation and its beautiful surroundings will be popular with Englewood people who drive lakewards in search of the cooling breezes of good old Lake Mich.

The Vernon's program begins today with Eddie Lyons and Lee Moran in "Everything But the Truth," and on Saturday comes that superlative female impersonator, Julian Elting, in "An Adventurer." The story was written by Charles Taylor and Tom J. Geraghty and is laid in the mythical land of Alpania where plotters, desperate and bold, attempt to overthrow the Republic and restore a monarchy. Julian Eltinge in the role of Mam'selle Fedora punctures the bubble of their plans. He is one of three college men thirsting for adventure who are ready to fight for American principles of government. It is a great life and a wild one they live while in Alpania.

On Sunday comes Charley Ray in the cleverest stunt of his bright young life in "Paris Green." It is about a bashful, lonesome doughboy who meets a chic little French miss in a jazzy Parisian restaurant. When he's out of uniform and back on the little Jersey farm, suddenly one day the girl from Paris appears in the corn field. And right then things begin to pop thick and fast! Imagine Charlie making love with the aid of a French dictionary. And taking the prize at a country barn dance. Also the famous Harold Lloyd in "Haunted Spooks."

On Monday Mary Miles Minter in "Jenny Be Good" and Mack Sennett's great comedy, "He won't believe it."

On Tuesday Edith Roberts in "Alias Miss Dodd," the very latest success, "Chain of Evidence" and a rattling Christie comedy.

On Wednesday comes Owen Moore in "A Desperate Hero" and a delightful Christie comedy, and on Thursday, July 8th, the very best of the wonderful submarine pictures, "The Girl of the Seas," a wonderful and most beautiful production.

EMPRESS THEATRE

It requires a superior kind of program to amuse people these warm days, and the Empress is supplying just that kind of a bill. Besides they have their wonderful ventilating and cooling system in operation and the big comfortable house is always from ten to fifteen degrees cooler than the outside, so that their patrons need not suffer in the heat or muggy atmosphere so common in many houses. The new attractions at the Empress and which they are booking for the summer season are the best of those on the eastern and western circuits who are "at leisure" or "resting" just now and do not care to book themselves for an entire season or for a road trip which is rather unpleasant in the warm weather. Manager Harry Mitchell is so well known in the profession that he has hundreds of personal friends who make it a point to let him know when they are off for a week, and are proud to be booked in this well known and popular house, although they are seldom seen off the largest city theatres. This is a feature of the Empress, they manage to get the unusual attractions, the good ones and the ones most sought by vaudeville houses, and hence the newness and merit of their programs. Have you heard the Empress orchestra lately? It is a symphony collection of real artists that render not only the regular program stuff, but meantime some of the best classical and popular music, seldom heard outside of the regular orchestral concerts. The pictures and travelogues at the Empress are educational and entertaining and are of the class that everyone enjoys of strange peoples in strange lands, their costumes and customs, their lives and their lands, in fact an intimate knowledge of foreign parts is obtained in a precise and accurate way that months of reading could not give one. All the time you find entertainment and amusement at the Empress, matinee or night, and a good two hours of solid enjoyment. Go to the Empress today.

BELL SYSTEM

Why Telephone Rates Are Increased

The new rates effective July 1st were fixed by the State Utilities Commission upon the application of the Telephone Company, and as the result of fifty public hearings held since last August, during which 7,000 typewritten pages of testimony were taken.

The claim of the Telephone Company for higher rates was based on the fact that it was running at a loss on account of higher costs of operation.

The Company did not ask for higher rates to get more money to give to its stockholders or bondholders, it sought higher rates to pay the wage increases already made to its employes who are doing the work of furnishing telephone service to the public, and to meet the higher prices for material and supplies.

Dividends to stockholders will not be increased.

The rate of interest on the Company's outstanding bonds will not be increased.

Prices of all materials have gone up. Telephone cable costs 143% more; switchboards 190% more; and poles and wires, hardware, coal, etc., have correspondingly increased.

The Company employs about 15,000 men and women. Operators' wages have increased from an average of $37.50 to an average of $85.00 a month in five years.

Wages of other employes have been largely increased in the same time.

These increases in wages have been necessary to enable the employes to meet the increased costs of living.

The new rates, by the terms of the order, are temporary only. Whether they will be adequate will be shown in the statements of operations which the company must file with the Commission each month.

The Company acts as Trustee for the public in conducting the telephone business. It must obtain and charge rates that will protect and extend the property and service; and the rates must be fair and just both to subscribers and the Company.

The New Rates

Four-Party Coin Box Residence Service

Prior to 1907, a guarantee of ten cents a day was required and excess messages cost five cents. For thirteen years the guarantee has been five cents a day, and since 1913 excess messages have cost four cents each. Throughout the period of higher costs for labor and material, this class of service has not been called upon to carry any part of the increased costs. The guarantee is now changed to six and one-half cents a day, with one message a day, and excess messages five cents each.

Two-Party Coin Box Residence Service

The guarantee is changed from ten cents per day, including two messages, with excess messages at four cents each, to twelve and one-half cents per day, including two and one-half messages, with excess messages at five cents.

Two-Party Coin Box Business Service

Messages in excess of two hundred per month on business measured service and Private Branch Exchange lines will be three cents instead of two and one-half cents.

Business Extension Telephones and Private Branch Exchange Stations will cost seventy-five cents per month instead of fifty cents.

SULLIVAN'S SENSE AND NONSENSE

Fourth of July, 1920

Day of glory! Welcome day!
Freedom's banners greet thy ray;
See! how cheerfully they play
With thy morning breeze,
On the rocks where Pilgrims kneeled,
On the heights where squadrons wheeled,
When a tyrant's thunder pealed
O'er the trembling seas.

God of armies! did thy stars
On their courses smite his cars;
Blast his arm and wrest his bars
From the heaving tide?
On our standard, lo! they burn,
And, when days like this return,
Sparkle o'er the soldier's urn
Who for freedom died.

God of peace, whose spirit fills
All the echoes of our hills,
All the murmur of our rills,
Now the storm is o'er,
O let freemen be our sons,
And let future Washingtons
Rise, to lead their valiant ones
Till there's war no more!

Automobiles were a luxury a few years ago. Now the laboring man drives to his work in one.

Casey says, "Yis, if coorse marry fer luv, thot is if yiz hov plinty iv muney."

The open bathing season is the hardest competition the burlesque actorines have to meet.

Young America manages to make a good deal of noise even if he is shut off from the fire crackers.

I know of people who are having trouble trying to run an elegant modern limousine on a Ford runabout income.

We may celebrate today by paying eight cents for a ride on the surface cars, and getting ready for a ten cent ride on the "L," also about sevent cents for telephone calls.

Our mayor says if the council votes him about a million more to distribute among his lawyer friends he will again promise to reduce railway fares and things.

Now that the political bosses have named the men they want for president, it is up to us to work ourselves up to an enthusiastic state and get out and hustle for them.

These double holidays with half of Saturday included gives a dandy little vacation to the tired business man who can spare no other. Hurrah for the Fourth of July!

The June brides who think that life hereafter will be "one grand sweet song" will wake up in after years when they have to sing the twins to sleep.

Pretty Wedding in Yale Ave.

A very pretty affair took place Thursday evening, June 17, at the home of Mrs. L. Stearns Bushnell, 6320 Yale ave., when Miss Bonnie June Farnham of St. Louis, formerly of Chicago, was married to Mr. Percy Miller Tress of Ottawa, Ill. Dr. R. A. White read the marriage service. A notable feature was the wearing by the bride of the grandmother's bridal veil. The ribbons were stretched by two little cousins of the bride and the ring was carried in a basket of flowers by a cousin of the bride, Baby John Stearns. The decorations were in pink and white. Several out of town guests attended the wedding.

Miss Florence Hutton of Joliet played the wedding march.

Billy Sunday Again!

Billy Sunday's greatest sermon, "Get on the Water Wagon," will be preached at the Englewood Presbyterian church next Sunday evening by the Rev. Clyde Sheldon Shepard, pastor of the Pilgrim Congregational church.

This is the sermon that gave Billy Sunday his greatest opportunity for use of his dramatic powers, and Dr. Shepard makes use of the opportunities it affords to their full limit. Audiences which have heard Dr. Shepard preach this sermon pronounce it almost as good as the tabernacle. This is a kind of an opportunity to see two men in one.

At 10:30 a. m. Mr. Shepard preaches on "The Genius of America."

The American's Creed

"I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed; a democracy in a republic, a sovereign nation of many sovereign states; a perfect union, one and inseparable, established upon those principles of freedom, equality, justice and humanity, for which American patriots sacrificed their lives and fortunes.

"I therefore believe it is my duty to my country to love it; to support its constitution; to obey its laws; to respect its flag; and to defend it against all enemies."

W. R. C. at Convention

Mrs. Della Swingler was first delegate, Miss Lillian Pine second delegate and Mrs. Julia Knight third delegate to the Woman's Relief Corps convention at Joliet, Ill. Scouts Big Field Day at Hamilton Park

Never in the history of scouting in the south-west district did so many people witness scouts in contest as they did on Field Day at Hamilton Park last Friday.

The first annual Field Day in south-west district was a great success.

The exhibit tents which explained the work of scouts throughout the district attracted much attention.

Events of the day were entered into heartily by scouts and the winners were awarded prizes of value which were presented by merchants throughout the territory.

Coffee was served at 6:30 o'clock through the kindness of the Hamilton Park Woman's Club.

In order to make things clear in the minds of those who took in the evening program, Mr. Hines, field scout executive, wishes it clearly understood that throughout the day everything went off on schedule and that the evening program, which included a moving picture, "Knights of the Square Table," was marred by the inability of the operators of the machine to produce sufficient power

Let it be understood that the New Era Film Company was employed to furnish the picture, machine, and operators and they did not seem to be able to make good.

The scout officials were in no way responsible for the disappointment.

We trust that our friends will understand this explanation.

Camp Ken Jockety opens on Monday, July 5, with a large registration. Great times are planned for the boys.

Mr. C. V. Hines will be in personal charge of the camp throughout the season.

Mr. C. B. Johnson, assistant field scout executive, will be in charge of the district office throughout the summer. Mr. Johnson has already planned many things of interest for the boys of the district.

City Council Grants All Increases Asked

Granted eighteen of 192 proposed wage increases, adding $1,955,000 to the budget, and increasing the city's proposed expenditures for 1920 to $7,000,000 and $8,000,000 in excess of its income.

Voted to concede all demands made by labor unions (at a further cost as yet undetermined). But a motion to reconsider that action will be voted on tonight.

Gave the mayor $421,985 more for "expert fees" to spend in fighting the elevated and surface lines and the telephone company, placing the grand total he may use for that purpose before Jan. 1, 1921, at $745,843.

Considered a plan to curb auto speeders by holding their machines as hostages for thirty to sixty days.

Y. M. C. A. Boys' Camp Opens July 10th

On July 10th and 11th the Y. M. C. A. will take thirty boys to Camp Owl for its first week end camp.

There are several things that the boy must keep in mind when preparing to go. They must bring their individual dishes and blankets. They also pay for their meals and transportation, which amounts to $3.25 for each boy. The place to sleep, the camp, the supervision and the good time are all furnished by the Y. M. C. A.

Many boys and groups of boys will want to get in on this trip so we will take the first thirty boys who sign up and pay $1.00 as a registration fee. This registration fee will be credited to the transportation and meals account, leaving the boy only $2.25 to pay when he actually goes on Saturday, July 10th.

Camp Owl, the sand dunes, week end camp is a beautiful place, and every boy will want to go again after he has once been there.

Boys, sign up early if you want to be one of the lucky thirty. The place to send registrations is 6307 Harvard Ave., in care of the Englewood Y. M. C. A. Mr. Ernest Brunoehler will take charge of the boys on the trip.

Veterans of Foreign Wars Meet Tonight

Ex-service men will be interested in a letter recently received which is herewith published:

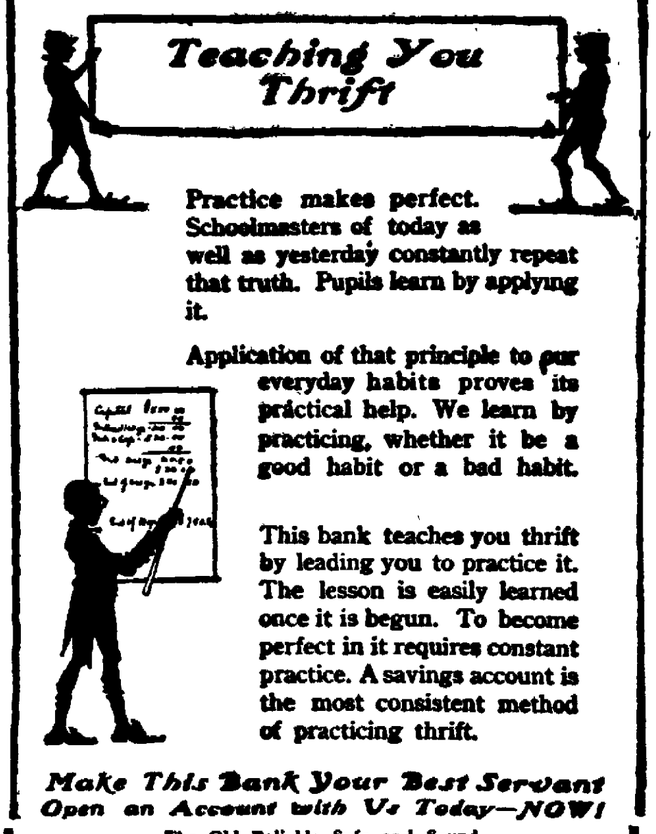
"Captain Marshall Field Post No. 177, Veterans of Foreign Wars, U. S., will meet Friday evening, July 2nd, 8 o'clock, G. A. R. hall, 6238 S. Princeton Ave.

"Overseas men of the army, navy and marine corps, the gold chevron outfit, exist right here in Englewood and this post is here to stay. When you join, it will surprise you to know that a real veteran's greeting is what you receive at our meetings, full of pep and nothing missing. When you seek a pleasant, well spent evening you will know that you are in a real post. We have a ladies' auxiliary also for your wife, sister, mother and daughters. Send your name and address to our adjutant, R. O. Sigafoose, for literature free, or call at the hall.

"Our work is never done, and no buddy should be out of a job or sick as our committees take care of all. Gold star mothers included. Deaths are provided for; no buddy should ever go to potter's field as we provide money for cost of burial and a headstone is also free, and a firing squad is available at all times.

"The fee for joining is $2 and dues 41 cents per month in the biggest and best veterans' organization in existence. Posts all over the United States and our island possessions. One million members. The biggest event in Englewood soon, real entertainment; watch for the date. Perhaps you are a vet from over there; if so, we want you and you need us. Comradeship at all times.

"W. WINGERNING,
"Post Historian."



Practice makes perfect. Schoolmasters of today as well as yesterday constantly repeat that truth. Pupils learn by applying it.

Application of that principle to our everyday habits proves its practical help. We learn by practicing, whether it be a good habit or a bad habit.

This bank teaches you thrift by leading you to practice it. The lesson is easily learned once it is begun. To become perfect in it requires constant practice. A savings account is the most consistent method of practicing thrift.

Historical and Otherwise

Tradition has it that the nuptial wigwam to which Chief Min-ne-mang of the Pottawattomie Indians lead his blushing young bride, I-wan-go, stood on the exact site of the building of the

Commonwealth State Bank
Vincennes Road at 75th Street

An examination of the ground convinces us, however, that it stood seven and a half feet west and three feet ten inches south of our building. Anyone who does not agree with us is welcome to measure for himself.

Had the Chief purchased one of our $2.00 or $5.00 a week Savings Club Pass Books he could have built a more substantial wigwam and more definite traces of it could be found.
